

Not all Customers are the same.  
Identifying a 'risky' one can  
save your business.

## Financial Credit Reports

Sometimes a little extra information on a potential customer, or an existing one, can make all the difference to your business.

Financial Credit Reports provide you with quality up to date financial information on your customers and competitors.

Track changes daily, enabling you to minimise risk and maximise opportunities for your business.

- ▶ UK & International reports
- ▶ Credit limit & credit guide on your customers
- ▶ Monitor your customers daily
- ▶ Pay as you go service
- ▶ No commitment/annual fees
- ▶ Track customer changes and adverse information
- ▶ Trade with confidence
- ▶ Keep your records up to date
- ▶ Web based monitoring 24 hours a day, 7 days a week
