

# Credit Management, is it the missing piece in your business?

## Ledger Monitoring & Risk Management

Ledger Monitoring & Risk Management services provide you with a portfolio credit management tool.

Establish your 'riskiest' or 'best' customers and your aggregated exposure across risk groups at a glance. Receive a daily picture of every single customer on your ledger.

- ▶ Daily analysis and reports on your ledger
- ▶ Credit limits & ratings
- ▶ Unlimited financial credit reports
- ▶ Graphical analysis
- ▶ Export your data into a spreadsheet
- ▶ Automated credit approvals customised to your own rule sets
- ▶ Web based monitoring 24 hours a day, 7 days a week
